**NEWS -- Office of Supervisor Zev Yaroslavsky**

For release June 3, subject to Board approval of Agenda Item 60

**STREET SWEEPING CONTRACT AWARDED**

**FOR MARINA DEL REY**

Los Angeles County Supervisor Zev Yaroslavsky announced Board approval of a three-year contract for \$80,400 per year to Nationwide Environmental Services, a Division of Joe's Sweeping, Inc., of Norwalk, for street sweeping in Marina Del Rey. Three proposals for the work were received by the County Department of Public Works.

The contract provides for weekly street sweeping services for County-maintained streets, highways, and alleys and will be administered by the Department of Public Works. By removing debris from roads, street sweeping improves the appearance and sanitation of the local area and reduces the amount of pollution entering storm drains, which empty into the ocean.
